Dear Club Representative,

Scottish FA Quality Mark Award

I am delighted to confirm that Gullane Athletic has successfully been awarded the Scottish Football Association 'Standard' Quality Mark Award.

This award is recognition from the Scottish FA South East Regional Committee of the good practice that has been demonstrated within your Club through the promotion of safe play and player and volunteer development.

Please note that the good practice that you have demonstrated will be monitored after 12 months of your award date to ensure you are complying with the Quality Mark criteria and to offer any additional support. There will be review process after two years and a full formal review after three.

As a Quality Mark Club and partner organisation of the Scottish FA, you are expected to promote fair play and follow association rules and regulations. Any incidents that may occur within your club that could be deemed to neglect this may result in the Quality Mark Award being withdrawn. The Club may also be asked to help, where possible, to provide players to act as "runners" on Scottish FA coach education courses within the region.

I would ask that you please contact me immediately if there are any changes to your club with regards to personnel, structure etc so we can update your records. This will allow us to evaluate your situation effectively and maximise the support you receive.

I would now encourage you to keep challenging yourself as you have been whilst working towards the award. Congratulations once again and I look forward to continuing to see your Club grow and go from strength to strength.

Kind regards,

A handwritten signature in black ink, appearing to read 'Tony Begg', with a horizontal line underneath it.

Tony Begg
Scottish FA Regional Club Development Manager (South East)
